## SOURCE ONE DISTRIBUTORS

Welcome to the updated Source One Distributors official website. Our mission is to improve the overall safety, precision, speed, and quality of military and law enforcement operations by providing improved distribution, best-in-class equipment, and quality customer service to today's war fighter. Source One Distributors supports a broad array of clientele in the defense industry, national security, law enforcement, search and rescue, fire and safety, and private security sectors by providing mission-critical equipment, product sourcing, acquisition solutions, and contracting expertise as well as a wide range of support services.

When creating the framework of the new site, we asked ourselves one question: What can we do to better serve our customers? I invite you to explore our new website features. Learn about the exciting events Source One is taking part in on the *Events Calendar*, and examine the distinctive purchasing vehicles Source One offers to ease procurement under *Purchasing Vehicles*. Get an idea of who we work with and what we carry in the all-new *Products* section. Last, but not least, catch up on all the latest Source One news in the *News & Events* section of the site.

If you find there is additional information you would like to see on the site, please let us know. Continuous feedback and comments will be a key component in the continued development of this website.

Thanks for visiting our website, and we look forward to any thoughts you might provide.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mark Llano', with a long horizontal flourish extending to the right.

Mark Llano  
President & CEO
